

# DECK WPC

Contamos con decks WPC, la opción perfecta para espacios al aire libre.

BOSQUES DEL SUR S.A.

## DURADEROS & ESTÉTICOS

Con la apariencia natural de la madera y la resistencia del compuesto de madera y plástico, nuestros decks WPC ofrecen belleza duradera sin preocupaciones.

 2200 x 143 x 22,5 mm

 BICOLOR

 3 TABLAS = 1m<sup>2</sup>

# DECK DE MADERA

Ofrecemos decks de eucalipto ideales para quienes buscan la calidez y textura natural de la madera.

BOSQUES DEL SUR S.A.

A top-down view of a wooden deck. The deck is made of light-colored wood planks with a visible grain. A grey stone border runs along the edge of the deck. In the upper right corner, there is a white rectangular area containing text and a small wood sample. In the bottom right corner, there is a small, colorful graphic of a paintbrush with green, red, and yellow bristles.

## DECK DE MADERA

A small rectangular sample of light-colored wood with a visible grain, positioned above the text box.

 Eucalypto
